WHO

Group of 3 objects, blue

Water brings travel or movement to new areas.
Regardless of shape and texture, the water passes
through or changes or dissolves the body before
arrival. A challenge and recognition of the self.

WHO, Group of 3 objects, blue, 2017

Speedmarker on sketchpaper, wire, spray paint on wood, glue
90x45x36 cm

Installation:

10-15 cm between each objects in a line. 175-180 cm on wall from groundfloor.
